

ANIMATO VIDEO AUDITION 2020

Instructions

1. What to record?

- Movement of a major work (2-4 minutes)
For example: 1. Mvmt of a classical or romantic concerto (exposition)
The recording can be with or without piano
- Orchestral excerpts as indicated on the website.

2. How to record?

Please use the instrument you are going to bring to the Animato Academy. We advise you to use a video camera, mobile phone or iPad with good audio resolution for recording.

Please upload your video on YouTube using the privacy setting **unlisted** and send us the link by email. You can send two links, one with the concerto and one with the excerpts or all together in one video link. Your video remains private and can only be watched by people who receive your private link. Please put your name and the title of the pieces in the video description or say it at the beginning of the video.

**You need a YouTube account (google account) to be able to put the video online.
